Who is the Master Plant Science Team?
A specially trained and compensated team of scientist mentors in PlantingScience outreach.

We particularly seek **graduate students**, post-doctoral fellows and professors emeriti.

What are the benefits of joining?
Free BSA membership for the year
50% off meeting registration
Master Plant Science Team T-shirt
Support of mentor cohort and training
**Satisfaction of making a difference**

What are the expectations?
One year commitment (~2 hours per week
time commitment when sessions are active)
Mentor ~4 student teams in fall and spring
Communicate with teams 2-3 times per week
Connect with classroom teacher
Provide feedback to staff and mentor team

When would I need to be available?
Fall Session: October-November
Spring Session: February-March

Student research projects last 2-4 weeks during the 2-month window of each session.

**Yes! I am ready to change the way students experience and understand science.**

**I want to join the Master Plant Science Team.**

To apply, please provide contact information and a personal statement about your interest and experience in science mentoring.
