Travel grants to Botany and Plant Biology Joint Congress

The MORPH Research Coordination Network will provide $250 travel grants to students (graduate and undergraduate), and postdoctorals to attend at least two symposia at the Botany and Plant Biology Joint Congress (Botanical Society of America, BSA and the American Society of Plant Biologists, ASPB), 2007 from July 7-11 in Chicago. Qualifying symposia include:

**Evolutionary Development**
- Peter Endress
- Mitsuyasu Hasebe
- William Friedman
- Neelima Sinha

**Emerging Model Species for Developmental, Evolutionary and Functional Analyses**
- Sinead Drea
- Andrew Groover
- Simon Malcomber
- Teemu H. Teeri
- John H. Willis
- Tom Gerats
- Scott Hodges
- Ralph S. Quatrano
- Esther van der Knaap

**Molecules to Morphology: Developing an Understanding of Plant Evolution through Time**
- Todd Cooke
- Patricia Gensel
- Heather Sanders
- Quentin Cronk
- Gar Rothwell
- Sarah Wyatt

**Evolution of Flower Development: From Phenotypes to Genes**
- Quentin Cronk
- Lena Hileman
- Cathie Martin
- Paula Rudall
- Sabine Zachgo
- Veronica Di Stilio
- Elena Kramer
- Jill Preston
- Gunter Theissen

**Evolution of Development and Physiology**
- Aldwing Anterola
- Kevin Folta
- Verónica Di Stilio
- David Smyth

**Vegetative Development**
- Kenneth Birnbaum
- Jeanne Harris
- Mengjuan Guo
- M. van Lijsebettens

What do you need to do?

You need to apply for the grant, attend the 2007 Botany and Plant Biology Joint Congress in Chicago (http://www.botanyconference.org) from July 7-11 and attend at least two MORPH-endorsed symposia (listed above). You must also turn in a feedback form about each symposia you attend. Evaluation of travel grant applications will begin on June 1, 2007, and applications will continue to be accepted until all annual funds have been committed.

For more information, contact William (Ned) Friedman

Application guidelines can be found at: http://www.colorado.edu/eeb/MORPH/grants.html
