Annual Report of the Phycological Section, 2000

The Phycological section of BSA did not receive any requests for, and co symposia in 2000. None of the general funds were spent.

An election was held to fill the position of Secretary of the Phycological Section of BSA, currently held by Jeff Johansen (who kindly served beyond his term). Mark Buchheim and Richard McCourt were two nominees for this position. Richard McCourt will begin his term as secretary at the Annual BSA Banquet.

Respectfully submitted,
Louise A. Lewis
Section Chair
